**FIRST ADDENDUM TO PUBLIC NOTICE
AND REQUEST FOR
QUALIFICATIONS/PROPOSALS FOR
PROFESSIONAL AUDIT SERVICES**

TO ALL INTERESTED PARTIES:

The Board of Supervisors of San Carlos Estates Water Control District (the "District") has previously released a Request for Qualifications/Proposals for Professional Audit Services on or about August 30, 2021, seeking responses/proposals from qualified individuals or companies for the provision of professional audit services to the District.

In the initial Request for Qualifications/Proposals for Professional Audit Services, the scope of the professional audit services sought by the District involves an independent certified public accounting firm providing annual external independent financial auditing services to the District for a period of up to five (5) years, with possible extensions, beginning with an audit of the financial statements of the District for its fiscal year ending September 30, 2022. This First Addendum to the Public Notice and Request for Qualifications/Proposals for Professional Audit Services is amended to change the beginning date the District seeks professional audit services, which includes an audit of the District's financial statements to September 30, 2021. Except for the clarification of the selection of a qualified auditor to provide the professional auditing services on a new beginning date for audit services of the District's fiscal year ending September 30, 2021, described above, all other elements and requirements of the Request for Qualifications/Proposals for Professional Audit Services shall remain in full force and effect.

The District reserves the right to reject any or all responses in its sole discretion. The District also reserves the right to waive irregularities and technicalities and to re-advertise for additional responses. All costs and expenses related to preparation and submission of a response are the responsibility of the responder.

The District does not discriminate on the basis of age, race, color, sex, religion, national origin, disability or marital status.
